Interprofessional Education: Building a Framework for Collaboration

OCCUPATIONAL THERAPY FACULTY,
CLINICAL EDUCATORS, PROGRAM DIRECTORS,
PRACTITIONERS, AND STUDENTS

Join us for the June 2025 IPEC Institute and connect with national leaders to advance interprofessional education for collaborative practice (IPECP).

What you'll gain:

- 💡 Dynamic sessions led by **IPE experts** from **diverse professions**
- 💡 **Hands-on cohort activities** to apply your learning
- 💡 Quick, impactful **theory burst presentations** to enhance your IPECP skills
- 💡 Focus on preparing future occupational therapy practitioners for **interprofessional collaborative practice**
- 💡 Practical tips on **planning, building, and sustaining competency-based IPECP** initiatives—even with limited resources

Start your summer strong and strengthen your IPE efforts from anywhere!
