**Overview:**  A Framework for Occupational Therapy Curriculum Design (AOTA, 2021) is a document created by a task group charged by the AOTA Commission on Education to provide resources for curricular development for occupational therapy and occupational therapy assistant programs.

**Learning Objectives:**  By the end of this workshop, participants will:
- Understand four essential steps for occupational therapy and occupational therapy assistant curriculum design at all degree levels.
- Identify influential factors that should be considered throughout the curriculum design process.
- Apply curriculum design principles within the context of building an example curriculum in preparation for applying lessons learned to their own program following the institute.

**Instructors:**  Amanda K. Giles, OTD, OTR/L, FAOTA & Tiffany Bolton, OTD, OTR/L
